Daycare and boarding are services designed for social dogs to play and have fun while being looked after and cared for; safety is our primary goal. Therefore, daycare is not for every dog. It is not a place for aggressive dogs to learn how to be social.

To be accepted into our daycare and/or boarding program, each potential new guest must:

- 1. Complete this Owner's Agreement/Pet Profile
- 2. Submit up-to-date vaccination records from vet including: Parvo/Distemper, Rabies, and Bordetella
- 3. Complete and pass an assessment [trial] day before boarding (at least a half day [6+ hours] of daycare)
